The Women, Children, Young People and Families (WYCYPF) team in NHS Education for Scotland (NES) are delighted to be hosting a webinar focussing on supporting children's speech, language and communication development.

This webinar aims to:

- Explore current context and factors impacting on children's speech language and communication development in Scotland
- Increase awareness of approaches to support children's early speech, language and communication development
- Improve awareness of national initiatives and approaches to support early speech, language and communication development

Women, children, young people and families
